HOW TO USE THE BATHROOM.

Do you know that you use up to 55 gallons of water a day in the bathroom? It's true. So here's some simple bathroom training to help conserve water. Turn off the faucet while brushing your teeth. Take shorter showers. Put a weighted jug in your toilet tank. It'll cut water loss by 15%.

And if you can't remember these tips, take this paper with you the next time you go. 1-800-MY-SHARE
