Let's face it, between meter money and parking tickets moving closer to campus makes sense. You could be living at Whaley's Mill where we offer off-campus living with on-campus convenience. The Shuttlecock stops out front, and 5 points is only a couple of minutes

Some might think the closer you are to campus the higher the price. But at Whaley's Mill we offer low student rates and special leases to upperclassmen and grad students. Semester leases are available without any hassle and you can get an individual or group lease. So make your life easier! Stop by and take a look at our 1,2,3 or 4 bedroom apartments. Save time, save yourself from expensive leases and most of all save that wasted parking money!
