

Homecoming offers activities, experiences for everyone

MARTHA HOTOP Asst. News Editor

Once again it's time to pull out your Gamecock colors and paraphernalia as Homecoming is upon us.

All of this year's events revolve around the theme "Simply Carolina."

The Homecoming Commission, which is part of Carolina Productions, decided on the theme. Students on the commission asked their friends, classmates and fellow officers for theme suggestions.

"We wanted to go for nothing glamorous," said Lori Toland, Homecoming commissioner. "It's a celebration of the simple things at USC: football and academics."

This year's festivities will be kicked off on Wednesday, with the traditional Carnival from 10 a.m. - 3 p.m.. The Carnival will feature student organizations and groups from the Columbia community. The Homecoming Commission plans to

award prizes to participants in several categories: most original booth, most popular booth, and the best overall booth.

Students visiting the Carnival, will have the opportunity to stick to a velcro wall. Besides the velcro students will find a bungee run and cyroscope. The Columbia Marionette Theater will perform "Snow White".

Cockfest, which is expected to be one of the most exciting events of the week, will be on Thursday at 6:30 p.m. Student organizations will provide entertainment during Cockfest, performing skits based on this year's theme. Coach Brad Scott and the football team captains will address the crowd. Cocky, the cheerleaders and the band will bring the crowd together in cheering for USC.

This year Big Head Todd & The Monsters will perform after Cockfest. Thus, students can attend Cockfest and see what is expected to be a great

HOMECOMING page 3 Jumpsuits and tie-dye take center stage as students act up at Cockfest 1994.
