

The Gamecock

Wednesday, March 27 at 4:00. Harper College, Gressette Room

Rising Juniors are solicited to apply for this very competitive scholarship awarded for graduate school preparation for a career in public service. 1996 Truman Finalists had a 3.78 median GPA. Scholars are selected for leadership abilities, academic performance and potential, community service records, and demonstrated commitment to the public service. Allowances include up to \$30,000.

British Marshall Scholarship Monday, April 1, at 4:00 Harper College, Gressette Room

A highly competitive scholarship, the Marshall provides for two years of study at any university in Great Britain for graduating students. Candidates must have maintained a GPA of 3.7 or better, possess a record of service and leadership, be well informed on global issues, and not older than 25 years as of October 1996. Allowances include tuition, fees, cost of living expenses, books, and travel to and form the U.S.

Rhodes Scholarship Monday, April 1 at 4:30 Harper College, Gressette Room

The Rhodes presents an exceptional opportunity for a full fellowship for two, possibly three years of study at Oxford University. Candidates must have literary and scholarship ability and a strong GPA, possess a record of service and leadership, be well informed on global issues, physically vigorous, and no older than 24 years as of October 1996. Awards include tuition, fees, living expenses, books, and travel to and from the U.S.

Fulbright Grant Tuesday, April 2 at 4 p.m. Harper College 107, Gressette Room 50th Anniversary Celebration at 4:30

Grants are available to graduating seniors and graduate students who propose a clear program of study to be carried out in a particular academic setting abroad. The location must be essential to the research project proposed. Fluency in the host language is preferred and a strong background in American culture and current events in the host country is a necessity. Grants are calculated on the cost of travel to and from the U.S. and cost of living. Also included, settling-in allowances and tuition waivers. Following the information session, students and faculty are invited to attend the 50th Anniversary Celebration of Fulbright Reception in the Gressette Room.

Attention Sophomores and Juniors! Thursday, April 4 at 4 p.m. Harper College 107

Rising sophomores and juniors pursuing bachelors degrees in natural sciences, mathematics, or engineering and intending to earn a graduate degree in these fields and pursue a career in research and/or college-level teaching are eligible to apply for this \$7,000 scholarship. Applicants should have a strong GPA and research experience.

National Science Foundation (NSF) **Graduate Fellowships and Minority Graduate Fellowships** Tuesday, April 9 at 4:00 Harper College, Gressette Room

NSF awards are for study and research in the sciences or in engineering leading to master's or doctoral degrees in the mathematical, physical, biological, engineering, behavoral and social sciences, and in the history and philosophy of science. Applicants must have a high GPA and high GRE scores in the General Test and the Subject Test in the field most closely related to their chosen area of graduate work or the area of their greatest or most relevant experience.

Mellon Fellowship Thursday, April 11 at 4:00 Harper College 107

This fellowship is for graduate work leading to a career of teaching and scholarship a traditional humanistic discipline (not including creative or performing arts, social sciences, or professional fields such as law, library science, and social work). Successful candidates must present a high GPA and high GRE scores, and a philosophy of both teaching and learning. Awards include travel, tuition, medical coverage, and stipend.
