CLASSIFIEDS WORK!

Classified Advertising in the The Gamecock Information...

Classified ads are sold by the line at the rate of \$1 per line with a minimum of two lines. There is a 15% discount for more than one insertion of the same lin-ad. Bold and Uppercase text are available at no extra charge. The deadline for line ads is noon, one business day prior to date of publication.

Classified Display ads are display ads which are one column in width and up to four inches in depth. Space is \$7.40 per column inch. Classified display ads fall under corresponding headers along with line ads, however, placement is not guaranteed. Larger ads can

be placed on the classified page (not under specific heading) through an account executive. Deadlines and specifications for classified display ads are the same as for regular display advertising.

Advertisements and payments are accepted in person, by mail and by phone if charging to Mastercard or VISA. Business accounts may be billed. The advertising office is located on the 4th floor in the Russell House, 1400 Greene Street, and is open Monday through Friday, 9 a.m. to 4 p.m.

Reseller price may be higher or lower than the ZDS direct price. © 1996 Zenith Data Systems Corporation. * Each loan is subject to credit approval and minimum annual income required is \$15,000. The monthly variable interest rate on the Campus Z-Station Loan is based upon the prime rate plus 4.25%. The prime rate is the rate of interest reported in the Wall Street Journal on the first business day of such month. Any change to such rate will take effect on the fifth business day each calendar month and will remain in effect until further changed. For example, the month of May 1996 had an interest rate of 12.50%. The loan has a 7 year term with no pre-payment penalty. If you were to borrow \$2,000.00 and maintained a constant variable rate of 12.50% during a 7 year repayment period, then your APR would be 14.59%, and your monthly payment would be \$36.22 for 84 months. Any increase in the prime rate may take the form of higher payments.
