It's not an act, it's an attitude. It's where the coolest of the cool gather for a cocktail and conversation. It's where the beautiful people are lookin' good and talkin' trash. It's where the young, hip things heat up the night with all the right moves. Come on over to Catdaddy's this evening and let it be all that you want. The glitz, the glamour, the glamor, this out and out groove. But above all, remember to stay loose and don't ever look like you tried too hard. Catdaddy's. Where it's fat.
