Lizard's Thicket is a family owned and operated Country Cooking Restaurant, dedicated and specializing in authentic, regional, southern home cooking at reasonable prices.

The original Lizard's Thicket Restaurant was opened in Columbia by Bob and Anna Williams in 1977. The first restaurant, which was located on Broad River Road, was converted from a 5 room house to a small, 3 dining room restaurant. Today we have grown into a multi-unit operation with 14 locations and over 600 employees.

No stay in the Midlands would be complete without a visit to the Lizard's Thicket that, year after year, has been voted by the readers of the The State Newspaper as Best Country Cooking, Best Family Restaurant, and Best Fried Chicken!

We are open for breakfast, lunch and supper seven days a week at most locations. Meeting and banquet facilities are available, as well as, complete catering service. Call (803) 765-1373 for the location nearest you, Ya'll Come!
