## Changes Made to the Spring Intramural Schedule

The schedule of intramural sports for the spring semester has been released with two additions having been made to the schedule for this semester, a floor hockey tournament and a sand volleyball tournament.

The floor hockey tournament has been scheduled for the weekend of March 27 and 28. Sign ups will begin on Monday, March 2 and end on Thursday, March 26. The event is free and will take place in the Blatt PE Center.

The sand volleyball tournament will take place in April. Last semester, the sand volleyball tournament was rained out twice. Because of the popularity of this sport, a tournament will be offered on

Saturday, April 25. Sign ups will begin on Monday, March 30 and close on Thursday, April 23. This event is also free for all USC students, faculty, and staff.

One other change is the date of the intramural track meet. It should be noted that the meet is now scheduled to take place on Sunday, February 1 starting at approximately 2:00pm. The decision was made to move the event towards the beginning of the

semester in hopes of increasing its participation rates.

One other change for some of the sports is the format for the tournaments. Activities such as racquetball doubles, badminton, tennis doubles, and sand volleyball will all be tournaments completed in a single weekend. In the past, these events were self scheduling, meaning that our office supplied the pairings and phone numbers, and each opponent had one week to

play the match. This led to many matches not being played, loss of interest by participants, and a lot of time being wasted. This format was used during the fall semester and the evaluations by the participants turned out to be very positive.

### Sports Officials Needed

Are you wondering how you are going to pay for your books this semester? Well, the Office of Campus Recreation can help you. Officials are needed for basketball, soccer, softball, and volleyball. All officials are paid for their efforts, remain on campus while working, and set their own schedules. All we ask is that you have a good general knowledge of the sports and their rules, and attend the officials' clinics. As long as you are a student enrolled in at least one hour of classes, you are eligible to officiate.

The first sport where officials are needed is basketball. If you are interested, the first officials meeting is

scheduled for Tuesday, January 13 at 5:00 pm in room 110 of the Blatt PE Center. There will also be a meeting on Wednesday, January 14 at 5:00 pm in the same room. If you want further information, contact Ron Byers or David Rice in the Office of Campus Recreation.

### Greek Point Standings

The fall semester greek point standing have been tabulated. During the semester, fraternities and sororities competed for points in football, indoor soccer, floor hockey, team golf, and team tennis. There is still one sport, team tennis that has yet to be completed, but based on the rest of the sports the standings are as follows:

Fraternities:	Sororities:
1. Sig Eps	1. AXO
2. Sigma Chi	2. DDD
3. ATO	3. ADPi
4. Sigma Nu	4. KD
5. SAE	5. XO

### Basketball Managers Meeting Set

Attention team managers. If you have entered a team for the intramural basketball season, then you must attend a mandatory meeting on Thursday, January 15 at 5:00 pm in Gym 307 of the Blatt PE Center. This meeting is intended to provide the captain of each team with the rules and any changes in rules or policies

that may be used throughout the season. The schedule for each team will also be made available to the captain at this time. The captain of each team will then be responsible for taking this information and informing his or her team of the rules, policies, and procedures.

We understand that 5:00

pm may not be the most popular time or the most convenient time to meet. If the captain is unable to attend then a representative of the team must be present at this meeting. If you would like additional information concerning this meeting, contact the Office of Campus Recreation.
