LIFE scholarships still not available

LIFE continued from page one
 ter paying their bill, they will receive a check from the university.

Bird also suggests that students who think they might be eligible call the Office of Financial Aid at 803-777-8134 or drop by the office at 1714 College Street, between Gambrell and Capstone. This will enable the staff to review the student's file more easily.

The office has six people answering calls, but many calls are routed

through the voice message system. Calls, Bird said, will be returned in at least 24 hours.

Bird also warned that when students receive the notification letter about the LIFE award, they should return the document that certifies that they haven't been convicted of felony, alcohol or drug offense.
