## HIGH MARKS FROM MORNINGSTAR, S&P, MOODY'S, MONEY MAGAZINE AND BILL.

We take a lot of pride in gaining high marks from the major rating services. But the fact is, we're equally proud of the ratings we get every day from our participants. Because at TIAA-CREF, ensuring the financial futures of the education and research community is something that goes beyond stars and numbers.

We became the world's largest retirement organization by offering people a wide range of sound investments, a commitment to superior service, and

operating expenses that are among the lowest in the insurance and mutual fund industries.\*\*

With TIAA-CREF, you'll get the right choices—and the dedication—to help you achieve a lifetime of financial goals. The leading experts agree. So does Bill.

Find out how TIAA-CREF can help you build a comfortable, financially secure tomorrow.

\*Source: Morningstar, Inc., July 31, 1998. Morningstar is an independent service that rates mutual funds and variable annuities. The top 10% of funds in an investment category receive five stars and the next 22.5% receive four stars. Morningstar's proprietary ratings reflect historical performance (and an index) to change over a month. They are calculated from the account's three-, five-, and ten-year average annual returns, in excess of 90-day Treasury bill returns with appropriate fee adjustments, and risk factor that reflects performance below 90-day Treasury bill returns. The overall star ratings referred to above are Morningstar's published ratings, which are weighted averages of one-, three-, five-, and ten-year ratings for periods ending July 31, 1998. The separate individual ratings for each of the periods are:

Period	CREF Stock Account	CREF Global Equities Account	CREF Equity Index Account	CREF Growth Account	CREF Bond Market Account	CREF Social Choice Account
