RECENTLY, MORNINGSTAR CALLED US CHEAP.

IT'S NOT EVERY DAY YOU GET A COMPLIMENT LIKE THAT.

All financial companies charge operating fees and expenses—some more than others. Of course, the lower the expenses you pay, the better. That way, more of your money goes where it should—towards building a comfortable future.

We make low expenses a top priority.

As the largest retirement system in the world¹—a nonprofit company focused exclusively on the financial needs of the educational and research communities—our expenses are among the lowest in the insurance and mutual fund industries.²

In fact, TIAA-CREF's 0.51% average fund expenses are less than half of the expense charges of comparable funds.³ It's why Morningstar—one of the nation's leading sources of annuity and mutual fund information—says, "At that level [TIAA-CREF] is cheaper than any other [variable annuity] policy, and is even competitive with the cheapest mutual fund complexes, though it offers far more benefits."⁴

"TIAA-CREF sets the standard in the financial services industry."

Of course, expenses are only one factor to consider when you make an investment decision. Morningstar also noted our commitment to "consumer education, service" and "solid investment performance." Because that can make a difference in the long run, too.

At TIAA-CREF, we believe people would like to spend more in retirement, not on their retirement company. Today, over two million people count on that approach to help them build a comfortable and secure future. So can you. To find out more, call us at 1 800 842-2776. We'd consider it a compliment.
