SOCCER

from page 9

With injuries plaguing the team throughout the preseason, Kelly was forced to look at her younger players and decide where they would fit in.

"We have a very strong freshman class that has come out and worked really hard. It depends on the circumstances, of course, but with the injuries, we will see a lot of

depth on our bench," Kelly said. One newcomer, Becky Leeper, stood out by being the only freshman starter on the field and by playing a variety of positions.

"Becky is a tremendous player," Kelly said. "Playing on such a strong club team helped her vision and ability to speak to the other players."

Leeper, though, is trying to keep herself grounded and to take it one game at a time.

"I'm just really excited about the new season and a chance to play," Leeper said. "It doesn't really bother me, being so young, and I hope we can go far this year as a team."

Leeper isn't the only member of the team who has set high goals for this year. Sanders said: "Of course, to get to the SCC's would be very nice. "But right now, we just want to concentrate on one game at a time, play together as a team and believe in ourselves."
