I said to myself, "Is this all there is?"

A few months into his first job after college, Gary Van Deurse needed a break from his nine-to-five routine—a way to feel "useful and alive." Gary found his answer in AmeriCorps. During his year of service in a rural community, he helped improve the lives of families who needed education, affordable housing, and other support. Looking back, Gary says, "Joining AmeriCorps is the best thing I've ever done. AmeriCorps challenged me, opened my eyes, and gave me new skills and new energy."
