money, too. You're smart and handy with from a person who acts like a know-it-all. tools. Doing this job yourself might not be as hard as you think. Get a book on the subject and read it.

Taurus (April 20-May 20) An old friend would love to hear from you. You know, the friend you've been thinking about lately. This person thinks you're great, and you feel the same way about this person. Don't let the distance between you get in the way. You'll be glad you made the contact.

Gemini (May 21-June 21) Take the information you've learned recently and put it to work. Find a way to bring more money into your pocket - soon. If you're so smart, why aren't you rich? You can be if you stop daydreaming!

Cancer (June 22-July 22) Somebody from your past can help with your future. Your plans haven't taken shape yet. An old friend helps fill in the parts that you're missing. You might have to make a long-distance call, but it'll be worth the money.

Leo (July 23-Aug. 22) You and your team don't have a moment to lose. Figure out your budget first so you can put the wheels into motion. A partner's a big help, and old money's better than new. Confer in private and don't waste time flirting. Stick to business.

Virgo (Aug. 23-Sept. 22) You're good at taking care of other people, and they know it, too. Help an older person who's confused get back on the right track first. Later, you and your friends can do something that's more fun for you! Plan a treat; you'll have earned it!

Sometimes the smartest thing you can do is to admit you don't know. Success could be your reward.

Scorpio (Oct. 24-Nov. 21) You're looking good — and getting luckier by the minute. Tomorrow and the next day are marvelous days to launch your dream ship for the cruise to your heart's desire. Hurry up and figure out what you want. The tide's turning in your favor right now.

0

Sagittarius (Nov. 22-Dec. 21) You and a partner need to get your heads together. A big expense is coming up, and you shouldn't make the decision on your own. Get somebody who understands how to pinch pennies to help. Then, do what this person says.

Capricorn (Dec. 22-Jan. 19) You can do, almost anything you set out to do. You've proven that, time after time. Can you teach somebody else how to do it, though? If you can, you'll increase the amount you can get done! Somebody nearby would be a good student, too.

Aquarius (Jan. 20-Feb. 18) The check that's been coming in the mail could finally arrive. The work you're doing now could bring in more, too. You may be busier for a while, but that's OK if you're finally getting flushed. Look for an extra job, too.

Pisces (Feb. 19-March 20) You're getting cuter by the minute! You've been slightly stressed lately, possibly about a domestic project. Well, that's handled, and you're emerging from the battle triumphant. Plan some high-quality cuddling time to celebrate your victory.
