Ideas

We've brought Jeff Foxworthy, the Goo Goo Dolls, Leeza Gibbons, Spike Lee, Sen. John McCain, David Spade, Dr. Ruth, & Widespread Panic, but none of that would exist without great ideas. Right now, we need your ideas to help plan Carolina Homecoming, the Bicentennial Celebration and other events throughout the year. We got the money. Now we need your ideas!

Photographers

Webmasters

Researchers/Developers

In order to best serve the campus, it is necessary to find out what students want to see and whether we are fulfilling their needs. We need someone dedicated to helping Carolina Productions bring what USC deserves--the very best. Plus you get a title. How will **Director of Research & Development** sound on your resume?

Marketers & Promoters

Planners

Carolina Productions is the student programming board at Carolina. The events we sponsor each semester wouldn't exist without event planners. So if you helped plan your Senior Cut Day Trip, the Junior Senior Prom or graduation, then high-tail it on over to RH Suite 235. You already have what it takes to be great member of CP!
