SCIENTISTS PREDICTED THAT SOLAR STORMS WOULD BE PEAKING AND THAT SQUALLS OF CHARGED PARTICLES WOULD WASH OVER OUR PLANET, AFFECTING EVERYTHING FROM PAGERS TO COMMUNICATIONS SATELLITES!

WELL, I'LL START WORRYING ABOUT SOLAR STORM PREDICTIONS WHEN WE STOP GETTING SIX INCHES OF PARTLY CLOUDY RIGHT HERE ON EARTH!

### **HOROSCOPES**

rather outspoken person most of the time, but that's not a good idea now. You don't have to tell the boss what you really feel. Just tell him or her what you can do and when. Then scramble to do it.

Taurus (April 20-May 20) — A person who seemed like an adversary yesterday could turn into a good friend. You've had your disagreements in the past, and will again, but now you can compromise. This opens the way for something good to happen.

Gemini (May 21-June 21) — You may be If so, chill out. It's better if others don't know that you know — or what you know. Don't let your expression give you away, either.

Cancer (June 22-July 22)- You and a special friend like to hang out together. You don't talk much, but that's OK. Just being together helps you work through your worries. Visit that person and let a puzzle you've been working on fall into place.

Leo (July 23-Aug. 22) — You've got plenty of love, and that's good. Your energy level's low, though, and that's not so great. You're facing a tough job and might not be feeling up to it. Rely on that love; it'll pull you through.

already in love with a beautiful foreigner, watch out. It could happen before this day's through. If you're already in love with worrying. somebody like that, celebrate by planning a trip together.

Aries (March 21-April 19) — You're a Libra (Sept. 23-Oct 22) — A quiet day contemplating your next creative project would be wonderful. If you have another job to finish first, try to concentrate. Then get back into your fantasies as soon as possible.

> Scorpio (Oct. 23-Nov. 21) — Practice makes perfect, and that's your assignment. A thousand repetitions of a simple task will set it firmly in your subconscious, so you'll never have to think about it again.

Sagittarius (Nov. 22-Dec. 21) — Once you get your routine down, the work becomes burning to tell news you've recently heard. habitual. Don't get distracted by a brilliant conversationalist until after the work's done.

> Capricorn (Dec. 22-Jan. 19) — Shop for a special gift for a loved one or a child. If it's hard to tell this person how much you care, this thoughtful gesture might help. And besides, it'll be fun.

> Aguarius (Jan. 20-Feb. 18) - You like to do the research first, but you're getting pressed to take action. Something at your house needs fixing - and soon. Call to find the best deal on a replacement or ask a relative with more experience.

Pisces (Feb. 19-March 20) — Listen to your friends, the ones who are telling you not to worry. Although your worries seem to Virgo (Aug. 23-Sept. 22) — If you're not make sense, they may be based on false logic. Besides, it's OK to be perfectly illogical if that's what it takes to stop
