HOROSCOPES

**Aries** (March 21-April 19) Your energy is increasing, but you're also very sensitive. You may feel like you're being pushed by forces beyond your control. That's just compassion you're feeling. Go with the flow.

**Taurus** (April 20-May 20) Better study up, because you're about to be tested. It's more likely to pertain to your personal life than to business. And although you may have to act quickly, patience is also required. Rely on your experience.

**Gemini** (May 21-June 21) The most brilliant idea you've had in a while may have shown up in a dream late last night. Can you remember what it was? If you don't, just start writing; it may come to you again. It's about making money. Somebody nearby needs something you can provide, at a profit.

**Cancer** (June 22-July 22) You know when to be sweet and when to dig in your heels. That's the dance you'll be doing if you're after a raise. You might get a bonus by tomorrow, on impulse, or make a quick sale. The longer you wait, the worse your odds. If you wait until Tuesday, forget it.

**Leo** (July 23-Aug. 22) Once you've completed the past, you'll be ready for a new adventure. Don't dawdle; it's waiting. This could be a new romance, or the revitalization of an old one. Discuss it over dinner.

**Virgo** (Aug. 23-Sept. 22) If you're worried, don't hold it all in. Call up a friend, someone who's far away, and unload. That's not the same as dumping, as you already know. This will make you both feel better.

**Libra** (Sept. 23-Oct 22) Your mind is more on fun and games than on work, which is not all bad. It's great to have friends with whom to play. Curtail that during working hours, though. The boss isn't getting the joke.

**Scorpio** (Oct. 23-Nov. 21) You should have a pretty good head of steam worked up by now. This is good, because you're about to encounter some resistance. Be ready to report on what you've accomplished, and you won't be delayed for long.

**Sagittarius** (Nov. 22-Dec. 21) You have several options from which to choose. Figure out which one costs the least, and how long it will take. That gives you your answer. Then, go to the beach — in your imagination, at least.

**Capricorn** (Dec. 22-Jan. 19) The trouble may be that you can't decide how much you should spend on your home. Stop thinking you have to carry the entire load. Somebody's willing to help, so let them.

**Aquarius** (Jan. 20-Feb. 18) Share the burden with a friend whose talents are quite different. You do the planning, and the other person can make it happen. You can hire somebody to get dirty. You can be the brains behind the operation.

**Pisces** (Feb. 19-March 20) This sure is Monday, isn't it? The toughest job on your list is staring you right in the face. But this could prove quite lucrative, so don't despair. Dig in.

It's a simple calculation:  
**TIAA-CREF's low expenses mean more money working for you.**

Call us for a free expense calculator

The equation is easy. Lower expenses in managing a fund can equal better performance.

How much? Just take a look at the chart. Then call us. We'll send you a free, easy-to-use expense calculator so you can see for yourself that no matter what your investment, you'll benefit from low expenses. And CREF variable annuity expenses range from just 0.28% to 0.34%<sup>1</sup>

For decades, we've been committed to low expenses, superior customer service and strong performance.

Add it all up and you'll find that selecting your retirement provider is an easy decision: TIAA-CREF.
