HOROSCOPES

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (MARCH 21-APRIL 19) — Today is a 6 — don't let your guard down yet. An authority figure could pop into your life at any moment, wanting a full report of your recent activities. Your homework had better be done. Be prepared!

TAURUS (APRIL 20-MAY 20) — Today is a 9 — you're coasting. You have it made, but you may not know it yet. Be a student. Let a special person teach you something about love. All you have to do is listen.

GEMINI (MAY 21-JUNE 21) — Today is a 6 — business comes before pleasure again. Get serious. Do you have a retirement plan? Health insurance? Stop waiting for others to take care of you. Take care of yourself.

CANCER (JUNE 22-JULY 22) — Today is a 7 — sometimes it's nice to be told what to do. By someone you trust, of course — someone who actually knows what she's talking about. If you know somebody like that, you're in luck. Call her up and ask.

LEO (JULY 23-AUG. 22) — Today is a 5 — you keep grinding through the same old routine. You should have it memorized by now. No point in resisting. You might as well get good at it. Looks like whatever you're doing is profitable, even if it sometimes seems like drudgery. Think of ways to make it better.

VIRGO (AUG. 23-SEPT. 22) — Today is an 8 — follow through on a promise you made to a person you love very much. Be there when this person wants to talk. Being there is one of the most important things there is.

LIBRA (SEPT. 23-OCT 22) — Today is a 5 — if you have company over tonight, make them bring the food. Pot lucks are great. Or maybe you could send out for Chinese. Don't volunteer to cook a big feast or host a slumber party for the kids. You won't be in the mood. Better yet, take your mom's advice: chicken soup and lots of rest.

SCORPIO (OCT. 23-NOV. 21) — Today is a 7 — your friends can teach you a thing or two. Just ask them. Money you send far away can help you achieve a dream close to home.

SAGITTARIUS (NOV. 22-DEC. 21) — Today is a 6 — you've proven you're a responsible adult and not just a clown. Sure, you have a great sense of humor, but you know how to keep a lid on it. Make it work for you, not against you. Don't make a joke about the boss's nose just as she's about to give you a compliment.

CAPRICORN (DEC. 22-JAN. 19) — Today is a 9 — you could get farther than you ever thought possible. You've hoped and schemed and struggled and saved up, but it might be kind of scary to actually get there. Don't worry. You can be counted on to come up with another challenge. Relax and enjoy the view!

AQUARIUS (JAN. 20-FEB. 18) — Today is a 6 — finish old business and stay awake. Changes could come quickly, and you don't want to be caught off guard. Keep an eye on the details and the bottom line. Keep costs down, and you'll be rewarded.

PISCES (FEB. 19-MARCH 20) — Today is an 8 — you are so cute! How can anybody resist you? But don't forget you're also setting an example for others.
