HOROSCOPES

ARIES (March 21-April 19): You're ready for the competition. Your teammates have confidence in you, and well they should.

TAURUS (April 20-May 20): Has something been bugging you? You may not be able to get it all now, but you can get a good start.

GEMINI (May 21-June 21): Follow through on some creative ideas you've had. A friend is eager to help you make amazing things happen.

CANCER (June 22-July 22): Another problem to solve? Sure! That's how it looks to the others, anyway.

LEO (July 23-Aug. 22): If you

can manage to pay off an old debt, you'll feel great. Put off travel or a new toy to do so.

VIRGO (Aug. 23-Sept. 22): Discuss your impending purchase with your mate. You may have some very different ideas.

LIBRA (Sept. 23-Oct 22): Don't get defensive if you encounter criticism. Show you're tough enough to take it and smart enough to use it.

SCORPIO (Oct. 23-Nov. 21): There's a rush of things that have to be done at the last moment. You like to be way ahead, not scurrying to catch up.

SAGITTARIUS (Nov. 22-Dec. 21):

Don't spend all your money on an evening out. You and your sweetheart may want to have your meals delivered by the pizza man.

CAPRICORN (Dec. 22-Jan. 19): Mild irritation is OK. Being slightly uncomfortable will spur you to take action.

AQUARIUS (Jan. 20-Feb. 18): Use a recent embarrassment as motivation. You didn't have the answer then, but by tomorrow you will.

PISCES (Feb. 19-March 20): Find ways to increase your income without working any harder. It's possible, although it's not easy.

not long afterward. In 1959, Jennings' career was nearly cut short by tragedy soon after it began. He was scheduled to fly on the light plane that crashed and killed Buddy Holly, Ritchie Valens and J.P. "The Big Bopper"

Gaining notoriety from its success as an Mp3.com mainstay, Love Apple presents passive-aggressive power pop, something uncommon even in the diverse Columbia scene. Richardson. Jennings gave up his seat on the plane to Richardson, who was ill and wanted to fly rather than travel by bus with those left behind. When a plane crash killed seven members of singer Reba McEntire's band in 1991, Jennings was one of the first to call her. "I told her there's one thing you're going to have to deal with. And that's thinking it was your fault," he told the AP in 1992. "As

a young man at that time, I thought it was my fault. I felt guilty and I couldn't get it out of my mind for years." For musician Rodney Crowell, that was typical Jennings. "For all of Waylon's tough stuff, he had such a tender heart. He was such a sweet soul," Crowell said. Comments on this story? E-mail gamecockmixeditor@hotmail.com
