HOROSCOPES

ARIES Return phone calls and add finishing touches. Pay back a debt and gather up the money somebody owes you.
TAURUS Consult with friends about how to handle an upcoming task. Several people are barking orders. Listen to the one who pays your rent.
GEMINI All finally ends well, through some miracle over which you have no control. Consider it a victory anyway.
CANCER Look sharp, and iron something to wear tomorrow. The more crisply you stand at attention, the better the impression you'll make.
LEO The pace picks up noticeably by tomorrow. Meanwhile, continue to plan. Go slowly now so that you eventually can go faster.
VIRGO You'll get much farther through a partner, spokesperson or teammate. Pass the ball and let the other person score points for you both.
LIBRA It's not a good day to ask for money; it's a good time to ask for work. Advertise so that people know what you have to offer.
SCORPIO Keep on keepin' on. When you've had just about enough frustration, the goal is achieved. You'll need the help of a strong partner.
SAGITTARIUS Slow and easy does it for a while longer. Don't overspend on a silly trinket, or you'll wish you hadn't.
CAPRICORN You can help a loved one solve a tricky problem. Something you've read about lately provides the missing link.
AQUARIUS The difficulties you've been experiencing could be resolved soon. Allow your adversary to suggest another option.
PISCES The information you've been taught is almost right, but not quite. You know there's something wrong, something slightly off key. Find it and report it.

Off-Campus Housing Fair

Thursday, April 11 @ 11am-2pm

on Greene Street in front of Russell House

Apartment list:

Apartment/Leasing Agency

| Riverbend | Woods at Harbison |

Dean Hashimoto,
A.B., M.S., M.D., J.D., M.O.H., and now, finally, IRA.

As a man who's devoted his life to the pursuit of knowledge, Dean Hashimoto wasn't going to pick a retirement plan without first doing his homework. That's why he chose an IRA from us, the people with over 80 years' experience managing portfolios for the world's sharpest minds. After discovering that our IRAs offer a variety of investment choices and low expenses, he decided to add one to his resume. A wise choice, by a very wise man.
