creatures. "I've really got him mad now!"

"Crocodile Hunter: Collision Course" isn't an incredible piece of cinema by any stretch of the imagination. However, it does have its tongue firmly planted in its cheek, and if the audience can do so as well, then they will have a fun time enjoying a funny, and a bit absurd, movie.

flight with the Russian space agency, Russian officials said Monday.

Space agency spokesman Vyacheslav Mikhailichenko said Bass has "serious intentions" and

that they are negotiating terms of the flight contract.

Bass has received clearance from Russian space doctors for a flight, and has been training at the Star City cosmonauts center outside Moscow. Mikhailichenko said Bass has paid for his training, but wouldn't disclose the sum.

If Bass signs the contract, he'd blast off for a weeklong mission to the station along with Russian Sergei Zaletin and European Space Agency astronaut Frank DeWinne of Belgium.

Neither the space agency nor Bass has commented on financial details of his bid. The world's only two space tourists both spent \$20 million on weeklong trips.
