HOROSCOPES

- ARIES** You're impatient, but don't be impulsive. Doing things right the first time is important.
TAURUS You're becoming slightly more interested in your work. The more interest you show, the more you'll earn.
GEMINI You've been stuck in the details for several weeks.
CANCER Having trouble getting your meaning across? Feeling pressured or confused? It'll pass.
- LEO** You're still in a playful mood, but duty is calling.

LIBRA Let the others carry the load for a while. You can be the brains behind the organization.
SCORPIO The money could finally be coming your way, and soon. Do the work that's required.
SAGITTARIUS A critical person

CAPRICORN There's no use trying to argue with a hot-tempered woman, or an older one who's made up her mind.
AQUARIUS Details are always important, but now more than ever.
PISCES When others assess what a good job you've done, they'll vote to give you the reward.
