The Carolinian Creed

The community of scholars at the University of South Carolina is dedicated to personal and academic excellence. Choosing to join the community obligates each member to a code of civilized behavior.

As a Carolinian ...

◆
I will practice personal and academic integrity;

◆
I will respect the dignity of all persons;

◆
I will respect the rights and property of others;

◆
I will discourage bigotry, while striving to learn from differences in people, ideas, and opinions;

◆
I will demonstrate concern for others, their feelings, and their need for conditions which support their work and development.

◆
Allegiance to these ideals requires each Carolinian to refrain from and discourage behaviors which threaten the freedom and respect every individual deserves.
