HOROSCOPES

ARIES You're more effective at receiving information now than you are at dispersing it. Ask questions and take notes.

TAURUS Now is the time to ask for that promotion or raise. Or maybe you could get a little more out of your retirement fund. Investigate, then instigate a change for the better.

GEMINI Travel and long-distance business should go well today and tomorrow. If you want more of something over here, look over there.

CANCER Worries may have you second-guessing recent actions. Don't fret. Do the homework. If you've made a mistake, you can fix it.

LEO There'll be quite a lot of

discussion, some of it heated, as a group endeavor gets going. Proceed, but make sure that cooler heads prevail.

VIRGO If you're well prepared - and you usually are - the inspection should go just fine. Even something you were worried about should go flawlessly.

LIBRA In order to solve a problem close to home, you may have to go far away. Expand your search for the answer.

SCORPIO Are you thinking about dipping into savings to fix something broken at home? Does it really need to be a top priority? Pay off an old bill first.

SAGITTARIUS You're a pretty

good talker, but you may have met your match. If the other person isn't listening, save your opinion. Wait until you're asked.

CAPRICORN You should be very productive, and there's plenty of work to be done. Make sure you get the instructions right so that you don't have to do anything over.

AQUARIUS You're back in the groove - effective, smart, attractive and creative. Accept a challenge. You're up for it.

PISCES It seems there's more talk than action now, but try not to be dismayed. It's necessary to communicate carefully in order to prevent confusion later. Listen.

Oscars

pleaded guilty to one count of statutory rape, and had prepared a plea bargain. But in 1978, Polanski fled the United States. He has since been living in France and has never returned. Many think Polanski would win the Oscar if it weren't for his legal problems.

The best-supporting-actor category, refreshingly felon-free, shapes up like this: Ed Harris received a nomination for "The Hours." Christopher Walken from "Catch Me if You Can" and Chris Cooper from "Adaptation" also got nods. John C. Reilly, who also appears in the nominated "Gangs of New York" and "The Hours," earned a nod for his "Chicago" performance. But expect the winner to be Paul Newman, who was nominated

for his superb work in "The Road to Perdition."

Combining Hollywood glamour with red-carpet gossip, the Academy Awards program airs March 23 on ABC. Prepare a bag of movie-theater-butter-flavored popcorn and cheer on your favorite nominees.
