

TRANSCRIPTS

Transcript requests must be in writing and signed by the student to whom the record belongs. To order a transcript of your University of South Carolina academic record, you may make the request in person on the third floor of Petigru College or send a written request to the Office of the University Registrar, University of South Carolina, Columbia, SC 29208-0001. You may also download the Transcript Request form from the Internet by pointing your web browser to <http://registrar.sc.edu/html/transcripts/transcript.stm>. Please be sure to request that we mail your transcript after your degree is posted.

Your academic dean has up to thirty days after the commencement exercises to verify that all graduation requirements have been met and approve your graduation. If you ask us to hold your transcript until after your degree is posted, it will be mailed as soon as the approval is received from your academic dean, your current semester grades are recorded and your degree is posted. According to University policy, transcripts will be held if all financial obligations to the University of South Carolina are not properly satisfied. If you think you may have an unsatisfied debt, telephone the Accounts Receivable Office at 803.777.3520, or visit their website at <http://web.csd.sc.edu/bursar/>.
