# STUDENT MEDIA

Student Media's three student groups offer volunteer and leadership opportunities in areas such as reporting, writing, editing, public relations, photography and radio. Student Media also offers positions for student ad sales representatives, student designers and student assistants.

## THE GAMECOCK

USC's student newspaper is published on Monday, Wednesday and Friday. It's available free to students, faculty and staff at numerous locations on and around campus.

## WUSC - FM

The radio station introduces new music and provides alternative programming for its listeners, including specialty programs focusing on a single genre of music such as hip-hop, blues, punk, ska, country and metal.

## GARNET & BLACK

This student magazine focuses on issues of general interest to the Carolina community and includes a literary section featuring student literary and other creative work.
