## DIPLOMAS

Diplomas will not be distributed during the Commencement Exercises. Commencement day is not a certification of graduation, but rather a ceremony, which celebrates your academic achievements. You must satisfy all of your degree requirements before officially graduating and receiving your diploma. Upon confirmation of graduation from the degree candidate's dean, the degree will be posted to the academic records.

*David Lee Schultz*

*Heard you made the squad of the Dallas cheerleaders, we always knew, you'd be a star running back some day. Congratulations!*

*Mom, Dad, Kathy, Crystal and Rambo*
