**IT WON'T HELP YOU PASS YOUR CLASS,
BUT THINK OF THE MONEY YOU'LL SAVE!**

At your off-campus bookstore we work directly with your professors to ensure we only order the exact books they plan on using. Buy your books somewhere else and you may or may not get what you're really after. And at efollett.com you can order your books online and pick them up in store, so there's no waiting or shipping to pay. So if you're looking for a deal, now you know where to look.
