**GEE, HOW COULD WE EVER BEAT THAT?**

Sometimes your mind can play tricks on you. Like when you think you're saving money ordering your textbooks online. But add in the shipping charges and all the time you spend waiting for delivery, and those "big savings" could disappear quickly. At [efollett.com](http://efollett.com) you can order your books today and pick them up at your off-campus bookstore tomorrow. And pay nothing for shipping. Now that's a real deal!

**No shipping charges**
