

APPLY FOR YOUR DEGREE

In order for a degree to be granted, students must follow appropriate procedures as stated in the University of South Carolina Bulletin which appears, in its entirety, on the USC website. Each student, in order to graduate, must file an Application for Degree or Certificate form with the dean of his/her school/college by the due date as posted in the Academic Calendar. The due date for the Application for Degree or Certificate is early in the last semester/term in which the student anticipates graduation.
