HOROSCOPES

**ARIES** The money should be coming in quite well. Don't take a risk or spend more than you can afford - even for a good cause.  
**TAURUS** You might be right, but if you're smart, you won't make a big deal about it. That's especially important if the person who's wrong is the same one who signs your paychecks.  
**GEMINI** Something you're supposed to do is brought to your attention. The temptation is strong to procrastinate, but that's not a good idea.  
**CANCER** You love your friends dearly, but some of them are definitely not

the people from whom to get legal advice. Hire a professional.  
**LEO** It'll be harder to get ahead for a little while. Dig in and secure whatever you've achieved.  
**VIRGO** You might be tempted to take off on an adventure, but resist. The odds are good that you'll stay too long and mess up a pretty good gig.  
**LIBRA** You should never have to choose between love or money. When you love people, you empower them to succeed. Keep at it.  
**SCORPIO** Make plans for your next big move. Study the game board a while. Get opinions from friends and enemies. No need to rush.

**SAGITTARIUS** Don't rely on the manual if what you try isn't working. There are more variables in effect than you might realize. Call the techie.  
**CAPRICORN** Conditions for romance have improved, much to your delight. A little gift would be appropriate, if thoughtfully chosen.  
**AQUARIUS** Take your time, while figuring out a home renovation task. Put in the extra effort to make sure it will really last.  
**PISCES** As you study more, you'll discover the true value of what you have. Some things are worth less than you thought, and some is worth more.
