The LIBRARY of CONGRESS

"Hear the one about the Paralegal, the Programmer and the Empty Office?"

It was quite a get-together. Kate Alison, a paralegal at Brennan and Partners, encouraged her office to get involved with a community coalition. They donated desks, chairs and office space. Then programmers from Ripside Media came on board with old computers and their expertise. Now they have an after school Computer Center. So kids in their community are on-line-not on drugs.

It's funny what happens when we work together. Communities become a better place for everyone, especially our children. Community coalitions bring other community groups together. And getting involved is easy. Visit www.helpyourcommunity.org or call 1-877-KIDS-313. They'll tell you how your group can help. You'll be surprised at how much you can accomplish.
