HOROSCOPES

ARIES Conditions are better for expansion now. Don't procrastinate.

TAURUS Clean out the garage, but don't just take all that stuff to the dump. There's gold in recycling.

GEMINI An adventure won't be quite so scary when you have lots of friends along. Keeping up with them could be a challenge, though.

CANCER Offer to attempt to solve a problem for someone with a shortage of patience. It's somewhat dangerous, but you can

do it.

LEO Opportunities are opening up all around you. Are you ready to try them? Go with love — you're not alone.

VIRGO Hidden resources amount to more than you thought. Take time to find out what's where.

LIBRA Consult a person with experience you lack but want to gain. You'll learn quickly with a personal coach.

SCORPIO Sign on for a task that requires speed as well as high energy. If it pays well, let them know you're the person for the

job.
SAGITTARIUS You're especially charming now — and vulnerable as well. Give your heart to one you know you can trust.

CAPRICORN Domestic issues demand attention. Luckily, they'll soon be resolved satisfactorily.

Aquarius You're passionate about learning. A friend can explain, and you'll soak it up.

PISCES Conditions are good for making money doing creative work. Hustle to make the most of this opportunity.
