"HITCH": 8 p.m. Russell House Theater
"A VIEW FROM THE BRIDGE": 3 p.m. Drayton Hall, \$10 with student ID

HOROSCOPES

ARIES A very charming person will be glad to explain. All you have to do is ask, then sit back and listen.
TAURUS If you've ever thought about being a rich artist, poet or professional gardener, hang out your shingle. Creative work pays very well right now.
GEMINI You're very lucky now, so choose something you'd like to be, do or have. If you're coming from love in this, you'll be even luckier.
CANCER The more old obligations you check off your lists, the happier and more successful you'll become. It's funny how that works.

LEO Ask questions. Look things up. You're in line for an amazing discovery. This is very good news, so seek it out.
VIRGO Go for a promotion or some other career advancement. You might even get a better job. The universe wants to give you everything you want.
LIBRA For a giddy moment, you might feel there's just too much to bear. Actually, "once you start dancing, the weight will disappear."
SCORPIO You win an extra bonus for recycling, and another for keeping a secret. Luckily, both are easy for you.
SAGITTARIUS The next four

weeks should be a lot of fun. You're popular, witty and in demand. You're a teacher as well as a student.
CAPRICORN The work's interesting, but you can't quite tell yet what it will pay. That's sort of up in the air at this point in time. Better do it for love.
AQUARIUS Everything you've ever hoped and dreamed for can be yours. Well, that's the sort of attitude you'll have, and that certainly helps.
PISCES There are a couple things you could buy for your home that would tune it right up. Study the layout so you will know the perfect thing when you find it.

curiosity + adventure + knowledge = study abroad

And study abroad means the University Studies Abroad Consortium where you can choose from 25 countries. Come soak up the vibrant culture and be transformed by the experience. We offer personalized attention from start to finish.

- Summer, semester and yearlong programs
- Wide range of academic courses • Internships
- Language courses at all levels • Field trips and tours
- Small classes • University credit • Scholarships • Housing

A USAC representative may be coming to campus. Visit usac.unr.edu for exact dates and locations.
