## HOROSCOPES

- ARIES** Don't take off on your own quite yet. There's still safety in numbers. There's also less work and more fun.
- TAURUS** The problem with having everyone know what a good job you're doing is that more work comes in. Set your own pace.
- GEMINI** You are in a very enviable position. Conditions are in your favor. Full speed ahead!
- CANCER** Shopping for decorative household items is highly recommended. You'll have a keen sense of color and a shrewd eye for a bargain.
- LEO** A way around the problem can be found, but not by you. Consult a person who sees it from a different point of view.
- VIRGO** Once you get the technical aspects under control, the rest is easy. Meanwhile, keep working the bugs out.
- LIBRA** You're highly admired, perhaps even more so than you realize. Accept the applause. You earned it.
- SCORPIO** Put in a little extra effort in the privacy of your own home, and you'll create a treasure you can hand down for generations.
- SAGITTARIUS** Every once in a while you have a blinding insight, wherein you see the problem as very easily solved. That could happen now.
- CAPRICORN** You don't have to do more work, or harder work, to prosper. Just make sure your customer is happy and satisfied.
- AQUARIUS** Go ahead and launch your new endeavor, whatever it is. Might as well try something interesting; odds now favor success.
- PISCES** You have talent and other resources you haven't even tapped yet. Continue to add to your savings account by using your imagination.
