"There is, at times, competition between different organizations within Greek Life," she said. "It is nice to occasionally enjoy a nice, relaxed atmosphere with members of different Greek

organizations."

"We are always looking to promote good P.R. for Greek life," said Runager, who said he feels highlighting Greek philanthropies and positive contributions to USC is important for the body's image.

Runager mentioned Dance Marathon, which takes place this weekend, and described it as an event where "Greeks and non-Greeks alike can come together for a great cause."
