## HOROSCOPES

**ARIES** By using what you already have, you can make what you want. You may have to buy a few supplies, but primarily recycle.  
**TAURUS** A picture is worth a thousand words, but a book that has both in it is truly a treasure you can share. Find one, and do that.  
**GEMINI** Take on more responsibility. It's the most natural thing. You're the one who can help the others achieve the goal they've set. Teach them how to work together.  
**CANCER** It'll be easier to collect old debts for the next several weeks, so send notices in orange envelopes. Get the word out early -- you're most effective then.  
**LEO** Clean out your garage, and turn in your recyclables. You have something of value nearby, but hidden, possibly under a mess. The reward is more than just in the doing of this job. There's a bonus.  
**VIRGO** Make an important connection, and then discuss ways to reach your goal. You don't have to reach a decision, just collect plenty of options.  
**LIBRA** There is more work coming in, and this job is very interesting. You'll get an extra bonus for being wildly imaginative.  
**SCORPIO** You're very lucky this year, especially now. Make a list of what you want to happen, for loved ones. Catch the moment.  
**SAGITTARIUS** Conditions still favor buying mechanical devices for home and family. Sound and entertainment systems fall into this category.  
**CAPRICORN** Part of the lesson you're learning comes by watching, not by listening. Actions are much more instructive than what the instructor says.  
**AQUARIUS** Put in the extra effort and you can earn a bonus. Sometimes working harder doesn't pay, but this time it does.  
**PISCES** Others care about you, and not just because you're so cute. It's also because you care about them, as you demonstrate again.
