

# Time for Shoes

This Cold Snap says 'Barefoot' Time is Over.

We prepared for this time a good bit ago and we have a line of Shoes that can't be duplicated as to quality or price. To see them is to wear them. Some of our specials are:

A Good Coarse Leather Shoe for \$1.00. This shoe usually retails for \$1.25 and is cheap at that price.

A No. 1 Good Shoe—"Mule Skin"—in both Plain and Cap Toe, going at \$1.25. You pay elsewhere \$1.50 for this same shoe and get a bargain at the price.

Men's Brogans at \$1.25 and \$1.50 with and without Tap Soles. These are the shoes you have been paying \$1.50 and \$1.65 for, and thought you were getting value received.

"Number 220," Cap Toe, Extra Heavy Tan, High Cut, Work Shoe. Well worth \$2.50, but as long as we have your size you can get in a pair for \$2.00.

A splendid line of Children's Shoes from 25c. to \$2.00.

The shoes are all good solid leathers and are the best values we have ever been able to offer to our customers.

Don't be fooled by talk of "just as good" for you can't beat these values and prices outside the factory. Come and see for yourself.

### Dry Goods and Shoes.

We are now ready for Fall and Winter business, with a full stock of Dry Goods and Shoes. I did not go to market until late, when there had been Breaks in Prices. I found sellers anxious to sell, and offering extra inducements to cash buyers. Being in a position to accept their offers I bought largely and at much lower prices than for several seasons past. That means you can buy your dry goods for less money than you did last year. My prices will be based on 8c cotton. No more 7c. for calico but the best branded goods will be sold for 5c. Goods that sold last season for 12½c. and 15c. now 10c.

Heavy 12½c. Canton Flannel for 10c.

Heavy yard wide Sheeting 5c.

The best selection of wool dress goods I have ever had and for less money. Better underwear for less money.

36 inch \$1.25 Taffeta Silk for \$1.00

I bear the standard of Good Shoes for little money.

Come and let us prove what we say.

# WHAT WE BELIEVE!

That we have bought our Fall Goods right and know that we can save you money on all of your purchases.

We haven't space to say much about prices but we want to say right here to families who want a bill of shoes, cloth, or anything in our line: We are in shape to make you a price.

Come and get your flour.

We want to say to the boys who want to hunt that we have bought 75,000 shells and are selling them at 75c. for 2 boxes.

### Our Stock is Full Up.

Ladies Jackets and Cloaks from \$2 up.

Boys Suits at \$1.25 and on up.

Dry Goods at a price that will move them.

Our line of Ladies hats are all in.

We want to say to parties living at a distance that it will pay you to come to the Norris Bargain House to buy your goods.

I want to thank the good people for the liberal trade they have given me and assure them it is appreciated and we will strive to merit a continuance of same.

Come to see me for better goods for the same money and more goods for less money.

Respectfully,

DISTRIBUTING DEPOT FOR

### "Pittsburgh Perfect" Fences

For some time we have been investigating a New Idea in Wire Fencing. After a most careful examination we have been convinced that we have found the best field fence manufactured. "Pittsburgh Perfect" is made of all galvanized steel wires. It is the only fence welded by electricity. Every rod is guaranteed perfect. All large wires, the stays being the same size as line wires. It has no wraps to hold moisture and cause rust.

If You Are Looking for a Fence

That will stand **HARD USAGE**;  
That will not **SAG DOWN** or **CURL OVER** on the top;  
That has stays that **WILL NOT SLIP**;  
That will **CONFORM TO UNEVEN GROUND**;  
That has no **SLACK WIRES**;  
That does not require an **EXPERT TO ERECT**;  
That is **LOW IN PRICE**—

Then Read What We Guarantee

1. The stays are **ELECTRICALLY WELDED** to strands, forming a perfect union and an amalgamation with the strands not found in any other fence.
2. No wraps to get loose, or hold moisture and cause rust.
3. No projections to injure stock or tear wool from sheep.
4. Stronger at the joints than any other fence; welded together by electricity.
5. Guaranteed that the wire is not injured at the joints.
6. Guaranteed adjustable to uneven ground.
7. Guaranteed that stays will not separate from strands.
8. Guaranteed all right in every particular.
9. Made by the most modern process and on the latest improved machinery.
10. Most of the weak points in other fences are on account of the way the stays are fastened. Our stays are amalgamated with the strands by means of electricity and the strength of the fence increased a hundred fold over the strength of a fence where the stays are wrapped or clamped on the strands.

If by this time you are interested, come and see this fence and get in your order.

If you are skeptical come and be convinced.

We add our personal guarantee to everything claimed for it and would be pleased to submit prices.

Don't fail to see us before buying your fencing. Don't put it off until you are ready to use it, but place your order in advance, as we cannot carry all sizes in stock.

Remember: We have anything in the Hardware line you may need, and right now is a good time for you to need a Tongueless Harrow, a Jewel Cook Stove or Range, or other articles too numerous to mention but which we have and you need. You ought to see the variety of stuff we keep. Call and see us—look our line over—you will find us "Johnny on the spot" every time.
