AYER'S HAIR VIGOR
Does not Color the Hair
 J. C. AYER COMPANY, Lowell, Mass.

—1910, we welcome you.
 —The first cold snap of 1910 is now with us.
 —The annual pilgrimage of that class of people known as "renters," has begun.
 —To our friends, patrons and readers, we wish you a happy and prosperous year for 1910.
 —The students of the county, who have been spending the holidays at home, have returned to their respective colleges.
 —Married at the home of Rev. B. C. Atkinson Dec. 22, Mr. William Holiday to Miss Lula Merck, Rev B. C. Atkinson officiating.
 —Ex-County Commissioner John P. Smith left on the 21st of December for a trip to Texas, where he goes on a visit to his brother, Joe.
 —N. A. Christopher will occupy the J. E. Parsons house in Pickens, and Mr. J. F. Harris will move to the home that Mr. Christopher vacates.
 —D. Winchester, of Hazel, believes in raising the necessary supplies at home, and as an evidence that he does Mrs. W. has sent to this office a nice turkey weighing 5½ pounds. It made the editor an excellent mess.
 —Married on the 4th instant at 2 p. m., at the home of the officiating minister, Miss Maggie Mull to Mr. M. A. Clark, Rev. A. S. Whitmore, officiating. All of the Looper Gin section of the county. The happy young couple have the hearty good wishes of their many friends for a long, prosperous and happy life.
 —Liberty Lodge, No. 235, F. & A. M., installed the following officers on Dec. 21st. J. H. Chapalear, W. M.; J. S. Christopher, S. W.; J. R. Griffin, J. W.; J. G. Gentry, J. D.—Boggs, S. D.; Parker Brown, Treas.; W. H. Chapman, Sec.;—Boggs, Tyler; J. H. Black and Hutchings, stewards. After the installation an elegant banquet was served.
 —Mr. David Lesley died on the 26th ult., and was buried the day following his death at Cross Roads church, a large concourse of sorrowing relatives and friends witnessing the obsequies. Mr. Lesley served through the war and had several sons in the conflict. Mr. Sheriff Brown is authority for the statement that there is not now living in the county a man who had seen in the war along with himself. If there is one we would like to know who it is as a matter of information.
 —Miss Louise Jones, the popular little "hello" girl of the Pickens Telephone exchange, was the happy recipient of a purse of money given to her during the holidays by the subscribers of this exchange. Miss Jones asks us to thus publicly convey her thanks to the donors and to say to them that she appreciates their thoughtfulness of her and to assure them of her best wishes that prosperity may always smile on them and to assure them that her best efforts to please and serve them will always be at their command.
 —R. H. Dilworth and family will move to Pickens county about January 1st to make their home. Mr. Dilworth will have charge of C. L. Dean's farm in the town of Pickens. He is quite as good a farmer as he is salesman, and that is saying no little. Prior to his employment by C. W. & J. E. Bauknight in their store here he was a successful farmer on his father's place near Connersoss. Mr. and Mrs. Dilworth will be missed from our midst, and will carry with them to their new home the best wishes of many friends.
 —Keowee Courier.

—Mr. G. E. Tolley, a well known business man and citizen of Anderson, died at his home in that city last week.
 —Married by G. W. Bowen, N. P., Mr. Walker Boyd to Miss Sarah Crow all of the Lenhardt section of Pickens, S. C.
 —Married by G. W. Bowen, N. P., Mr. John Riggins to Miss Ola Simmons, all of the Glassy Mountain Section of Pickens county.
 —Thirty acres of good corn and cotton land to rent to some one furnishing their own stock. Apply to Mrs. E. F. Field, Pickens, S. C. R. F. D. No. 1.
 —Olin Hinton, who for some time past has been with the Big Store has severed his connection with this firm and has gone to Easley where he will go into business for himself.
 —Last Monday was Salesday and a goodly crowd was at the court house. There were several tracts of land sold at good prices and later some property changed hands at private sale.
 —Married, on Wednesday at 11 o'clock the 29 of Dec., 1909, Mr. Lawrence Harper to Miss Emmar Stewart both of Pickens county. W. C. Seaborn officiating.
 —Last Monday was County Union meeting day and all the local unions were well represented. Business of much importance was transacted. Further information is not at present available.
 —C. M. Bowen is back at the Big Store ready to serve his friends and customers to the best of his ability. Charlie is a good salesman and he has many friends throughout the county who are delighted to know that he has again cast his lot in Pickens.
 —The many friends in Pickens of Julius E. Parsons, will learn with regret that he has moved to Williamston. "Jule," who has been at the Big Store goes to Williamston to assume charge of a mercantile firm there, and it goes without saying that he will make good in his new field of labor. Pickens hates to lose him and his excellent family but wish for them all the good luck imaginable, and heartily commend them to the people of Williamston.
 —R. E. Yongue, of Pickens, left Monday with a force of carpenters, for Blairs, S. C., where he goes to erect a large storehouse for Messrs Blair, Frazier & Co. Mr. Yongue is a good carpenter and a fast one and turns off work in a hurry. There is no reason for "Bob" to go away from home to work as there ought to be plenty of work in Pickens for him to contract for. Present indications are that a great deal of building will be done in and around the town this spring.
 —Married on Dec. 29th, 1909, at the residence of Mr. W. Field Hays, Mr. J. A. Jones, son of Esq. A. A. Jones to Miss Nina Hays, both of Pickens, M. F. Hester N. P., in his usual way performed the marriage ceremony. After the marriage, the bride, groom and guests were invited to the dining room where the dining table was laden with many good things to help the inner man which Mrs. Hays knows how to fix as she surely knows how to cook. The groom and bride proceeded on up to Esq. A. A. Jones where many good things were awaiting them. In all, this was among the nicest weddings the Notary was at. There were many nice presents given to the new couple. Many congratulations for a long, happy and prosperous life, was showed upon the happy young couple.

 The Hopewell Correspondent of the Tugalo (Westminister, S. C.) Tribune says: Will Kimbell and family, from Pickens county, spent part of Christmas here among relatives.....Mrs. J. G. McWhorter and children, from Liberty, returned home Wednesday from a visit here to her parents Mr. and Mrs. J. J. Pickens.....Freddie Pickens is visiting relatives in Pickens county at this writing.....Mr. and Mrs. J. E. Pickens are spending Christmas among relatives near Liberty.
 —The citizens of Central were greatly shocked last Sunday to learn that one of their best beloved citizens, Mrs. James H. Rowland was dead. She had been sick but a short time and hopes were entertained for her recovery, but the grim reaper, death, had marked her for his own. Besides a loving and devoted husband and two children she leaves a host of relatives and friends to mourn her untimely death. The remains were interred at old Mt. Zion cemetery on Monday afternoon a large concourse of relatives and friends witnessing the sad rites. Much has been taken from this sorrowing husband and two little motherless children, and the large circle of relatives and friends; sweet ties have been severed, but much is left. The Christian's hope and fadeless memories are still theirs. Her life was gentle, but like the still waters it was deep. In her heart of hearts she carried those she loved, and her hand was never weary, and her step never failed in ministering unto, caring for, waiting upon those who were in anyway dependent upon her. The light of the home is gone out and the inmates sit in darkness, but there is a bright light leading upward that is beckoning them to the home above where sorrow and death is unknown and partings are no more. To the sorrowing husband and children the deep and sincere sympathy of many friends is extended.

Traveling Salesman
 H. F. Beers, 617-7th Ave., Peoria, Ill., writes: "I have been troubled for some time with kidney trouble, so severely at times I could scarcely carry my grip. After using one bottle of Foley's Kidney Pills I have been entirely relieved, and cheerfully recommend them to all." Foley's Kidney Pills are healing and antiseptic and will restore health and strength.

Card of Thanks.
 Mr. Editor will you please be so kind as to allow me space in your valuable paper to thank our friends and neighbors who gave us such noble help and assistance with their presence and words of cheer and comfort consolation and prayers for sustaining grace during the illness and death of our dear devoted mother and grandmother. May God's richest blessings and heavens choicest benedictions rest upon you and your family with comforting grace to help you in your every time of trouble. This card is at most only a weak and feeble effort and very inadequate to express the gratitude of our hearts to you for your kindness to us, and it shall ever be our prayer if it is yours to pass through such sorrow and trouble us we are now experiencing, that God will supply you with comforting and sustaining grace. J. A. Hunnicutt and Children.

It is a dangerous thing to take a cough medicine containing opiates that merely stifle your cough instead of curing it. Foley's Honey and Tar loosens and cures the cough and expels the poisonous germs, thus preventing pneumonia and consumption. Refuse substitutes and take only the genuine Foley's Honey and Tar in the yellow package.

School Notice
 The patrons of Pickens High School and of the Graded School are respectfully invited to attend a meeting to be held in the School Auditorium on Friday night, January 7, 1910, at 8.30. A full attendance is urged, as matters of pressing interest are then to be discussed.

Simple Remedy For LaGrip.
 LaGrippe coughs are dangerous, as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough, but heals and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package.

Attention to the Coming Legislature.
 It is a bad policy for any one to talk about another behind their back, because they are not there to show up the other side. We might make a lot of good men appear in a bad light by only showing up one side.
 But here we are face to face and if the present Legislature has any good side let them show it up.
 I ask them where their prohibition is in this State? I answer: It is only on the pages of a few political papers and in the minds of fools. Is there a single city, town, village, yea, a single community where whiskey is not sold to any one who has the price not even minors excepted?
 Are there not more people selling whiskey today in this state than ever before?
 Where does the profits go? I am sure the schools are not getting it, and there is where it is most needed. Now it takes twenty-five to fifty dollars per month out of the average man's pocket, besides his tax, if he tries to educate his children.
 Do you remember what I told you from the stump three years ago about rations and the price they would go to?
 Now if this legislature don't appropriate at least one-quarter million dollars annually for the common schools in the country the best farmers will be forced to move to town and leave the negroes without boss, and then the farm that produces from 50 to 100 head of cattle, sheep and hogs for the market that goes direct to the nearby town, will come up lacking and then the North western meats will have to be absolutely used here, and, mind you, the wholesale price of beef in Chicago is 16c. the pound.
 The legislative man who has the poor of our country at heart should go to doing something for our benefit and not so much that is to our injury as they have been doing.
 Respectfully,
 M. W. Hester.

REAL ESTATE?
Farm Lands and Town Lots for Sale.

In considering what to buy for that Christmas present or New Year's gift, did it ever occur to you that something that would never wear out or decrease in value—something that as each Christmas or New Year's comes will bring more in dollars and cents than it now costs—would be a most appropriate gift? Real estate values are climbing every year.
 Your grandfather told your father, and your father told you, "had I bought land ten years ago I would have made a fortune." Are you going to let this be true of you? Now is the time, Pickens county the place and H. M. Hester the man with "the goods."
 Put these together. "A word to the wise is sufficient." See
H. M. HESTER.

Cheap := Drugs

Are the dearest kind you can buy, if it is results you want.
 This is the reason why we do not have anything to do with cheap imitations of any kind. People do not buy Drugs for fun. They buy for results—so we buy and sell the kinds that give results no matter what use they are put to.
 Thanking you for your patronage during 1909 and hoping to retain it during 1910 by fair and courteous treatment and

Dry Goods, Shoes, Underwear, etc
To the readers of the Sentinel-Journal:
 You are hearing of HIGHER prices. I am glad to say that I believe Cotton will be higher. I am also glad to say that I have bought one of the largest and best selected stocks of goods—piece goods, men's and women's underwear, blankets, shoes—in a word, a stock of goods suited to the needs of the general public, that I have ever had, and I say to you MOST POSITIVELY that my prices are NO HIGHER, and on some goods LOWER than last season.
 I do not advertise to give away goods—to sell a 10c. article for 5c.—I can't do that. But compare MY GOODS and PRICES with the "give aways" and if I do not give better values, I will not ask you to buy. I want your trade and will do all I can, LEGITIMATELY, to get it. I promise you
Dependable Goods. Lowest Prices.

"Trade Follows the Light"
 The bright streets are the busy streets—the stores that use Electricity generously, judiciously—for purposes of advertising as well as illumination, are the ones that get the greatest trade.
 Do you know of any big successful, progressive stores not using Electricity for either interior or exterior lighting.
 Just think that over.
 A store may shut its doors at sunset, but if its show windows are properly dressed and electrically lighted, they are doing as effective soliciting for the next day's business as a corps of salespeople.

The new Tungston Lamps will give you more and better light—for less money—than any other illuminant. Write or Phone for our special proposition.
