Obituary.

In loving memory of Mrs. Mary H. Hunnicutt, who died on Dec. 24th 1909 at the home of her son James A. Hunnicutt in Pickens County, her maiden name was Patterson. She was born Oct. 11 1835. She married William A. Hunnicutt, 1853 and in her 18th year she accepted the Lord Jesus Christ as her personal Savior, and joined the Shiloh Baptist church of Oconee county.

At the time of her death her membership was at Concord Baptist church of Pickens county and lived a consistent Christian life, until called by her Savior to come up higher.

Her death was very sudden at her supper and was as well as usual and before retiring was stricken with paralysis and lingered until eleven o'clock the next day when her spirit took its flight to the paradise of God. And her body was laid to rest by her own request in the cemetery of Secona Baptist church to await the resurrection of the Just, her funeral was preached by her Pastor W. C. Seaborn on Christmas day to a large congregation of friends and relatives who had met to pay the last sad tribute of respect to her mortal remains.

Sister Hunnicutt was the mother of eleven children seven of them predeceased her, some of them dying in infancy. Four of them are still living to mourn their loss in a loving and devoted mother and to rejoice in her eternal gain and joy triumphant in heaven her living children are: as follows, Mr. J. J. Hunnicutt of Oconee county, Mrs. A. A. Stansell of Anderson county Mr. L. E. Hunnicutt of Greenville county and Mr. J. A. Hunnicutt of Pickens county. Sister Hunnicutt was a true type of Christianity of character, she was an affectionate wife a tender and loving mother a kind and obliging neighbor; she died as she had lived without an enemy, had few equals and no superiors. Tho' her body is dead yet she will continue to live in the mind and hearts of those who knew her and to know her was to love her. Weep not ye, her children and grand-children for we have great reasons to believe that she is at rest and all is well with her.

Are Doctors Any Good?

Foolish question! Yet some people act as if a medicine could take the place of a doctor! The best medicine in the world cannot do this. Have a family doctor, consult him frequently, trust him fully. If we did not believe doctors endorsed Ayer's Cherry Pectoral for coughs and colds, we would not offer it to you. Ask your doctor. No alcohol in this cough medicine.

If we did not believe doctors endorsed Ayer's Pills for constipation, biliousness, sick-headache, we would not offer them to you. Ask your own doctor about this.

She has gone on to join the rest of her family that preceded her to the glory land, let us join the poet in chanting this sublime hymn to her memory.

"Come let us join our friends above,

Who have obtained the prize And on the eagle wings of love To joy celestial rise,

One army of the living God, To his command we bow

Part of the host have crossed the flood

And part are crossing now, Even now to their eternal home,

Some happy spirits fly, And we are to the margin come

And soon expect to die, O Savior, be our constant guide,

Then when the word is given Bid Jordan's narrow stream divide

And land us safe in heaven, A Friend.
