The grand jury have appointed the members of that jury that are to take in hand and carry out the recommendations of Judge Gage, to the effect that they look into the school conditions in this County, and report at the next term of Court. The list has been handed in too late to be published this week but will appear in our next issue

A plan to clean off and make walks in the cemetery is about completed, and Tuesday the 14th instant is the day set apart for the work. All those who are interested are asked to help either by giving work or money. Mr. John F. Harris has kindly offered to superintend the work, and will see that it is properly done. The town has no resource for funds to meet this expense is why the people are asked to do it. However we think that if we can get the cemetery in good shape, the council will help keep it. If the werther is inclement the day set apart, another will be chosen and the parties interested will be notified.

Floyd Grandy returned Saturday from Oklahoma city, on business trip for a few days. Gives glowing accounts of the country. He reports that Ivy Fields and Lucius Earle have went west at the same time he did, have gone on to Los Angeles, California, where they have both found work, Fields with the express company as office man and Earle has work in his chosen profession, that of pharmacist, as soon as he can qualify under the California laws. —Hon. B. B. LaBoon, who has served the city of Pickens for two terms as Mayor most acceptably, has resigned his position, to accept a more lucrative job. He has served most acceptably, and his friends and the people generally, of the city are sorry he has resigned. Mr. J. F. Harris is acting mayor for the unexpired term and makes an excellent presiding officer. His friends have been opportuning him to stand for election for the regular term, and he would look well after the town's interest were he elected, but Mr. Harris, when approached by a representative of this paper relative to his candidacy, replied, "most emphatically do I decline to run; tell the people there's 'nothing doing' with me." The election will be in April and the citizens will decide before that time on a good safe man to hold the reins of government for the next two years.
