## SEVENTY-FIVE "Old Timers" HONORED WITH AWARDS AT BANQUET

Miss Harvey Mr. Bailey Mr. Templeton Miss Wilson

Miss Harvey and Miss Wilson longest continuous service women employees of Lydia and Clinton Mills, respectively, join in cutting the "Old Time s" cake. The cake was a huge replica of the service pin.

### Watches and Service Pins Presented to Employees with 25-years of Continuous Service

President P. S. Bailey spoke and presented awards at the first annual "Old Timers" Banquet held last Tuesday evening at the Presbyterian College Dining Hall.

He stated, "We have made progress and we will continue, in this I am confident. I am proud of you and wish to thank you again for the years you have given and for your loyalty over all these years. I am proud to be counted among you."

Following Mr. Bailey's speech, his aunt, Mrs. C. M. Bailey presented him with a watch and service pin for his more than twenty-five years continued service with Clinton Mills.

After a Thanksgiving dinner complete with all the trimmings, the Hi-Neighbor Quartet of Anderson provided musical entertainment. Departmental Overseers along with the Superintendents took pride in congratulating those receiving awards.

## 1957 Social Security Pay

Under The Law, we are obliged to make an additional deduction from your pay during the coming year. Beginning with the first payday in 1957, your share of the cost of the Government Social Security Program is increased from 2% to 2 1/4% of your earnings so covered. This money is turned over by your company to the United States Government. The increased deduction is made necessary by law to meet the ever increasing cost and ex-

tension of Social Security benefits.

Your Company's Share of the cost of Social Security is also adjusted upward. From 1957 on, the company pays a tax equal to 2 1/4% of the pay of each covered employee. Combined employer - employee contributions toward Social Security now equal 4 1/2% of such payroll. If you have any questions about this change, please don't hesitate to talk to your supervisor.

### WORTH REMEMBERING

You can always remember that in safety you protect:

Not a camera, but a human eye.

Not a pump, but a human heart.

Not a compressor, but a human lung.

Not grease and oil, but human blood.

Not tires, but human feet.

You protect the most important machine on your job—the human body.

## W. R. FENNELL RETIRES

Glen Gaskins, Lydia Overseer of Weaving, is saying "farewell and the best of everything" to Mr. W. R. Fennell, 1st Shift loom fixer, who recently retired after 57 years in textiles. Mr. Fennell is held in high regard by all. We wish for him many happy years of well deserved retirement.

## CLINTON WOMAN'S CLUB INSTALLS OFFICERS

Mrs. Myra Crocker recently presented a beautiful installation service for the 1956-1957 Club Officers. She compared the light of leadership to the 'ole lamp lighter, who before darkness lit the lights of guidance and protection so that his fellow-

man may not falter in the night.

The Officers holding candles are—Mrs. Lucille Taylor, President; Mrs. Eva West, 1st Vice President; Mrs. Mary Brookshire, 2nd Vice President; Mrs. Vera Smith,

secretary; Mrs. Maggie Reynolds, Asst. Secretary; Mrs. Janie Freeman, Asst. Treasurer. Mrs. Fannie Frier, Treasurer, and Mrs. Edna Traynham, Reporter, were absent when the photograph was made.
