

# CLINTON CLOTHMAKER LYDIA

VOL. 15, NO. 3

PUBLISHED BY AND FOR EMPLOYEES OF CLINTON MILLS, CLINTON, S. C.

OCTOBER, 1966

## YOU MADE HER SMILE

BY GIVING . . . .

## THE UNITED WAY

### For a Better Place to Live

Good citizenship may be "old hat" in some places but not to the men and women of Clinton Mills.

Clinton Mills' employees this year again opened their hearts, and pocketbook in a demonstration of generosity that lead all divisions and givers to the Greater Clinton United Fund . . . a tradition dating back to the first appeal in 1952.

Congratulations!

### From the President's Desk

On behalf of all members of Management, and personally, I want to commend employees in each Plant for their wonderful support of the annual United Fund appeal. The results of this year's appeal recently conducted in our Plants were truly outstanding. Your generous and unselfish support has again demonstrated the interest and willing cooperation of Clinton Mills' employees in projects which are for the good of the Community.

My sincere gratitude and congratulations to each employee who made a contribution to the campaign.

Each year I am tremendously proud of the community spirit and concern demonstrated by Clinton Mills' employees who give unselfishly of their time and money to make our Community and area a better place to live for everyone including the less fortunate.

Sincerely,

*Robert M. Vance*

Robert M. Vance  
President & Treasurer

## Annual "Old Timer's" Luncheon Set For November 27

17 New Members

### Profit-Sharing Retirement Enrollment Totals 920

President Vance's June 1, 1966 announcement of the adoption of a Profit-Sharing Retirement Plan for hourly wage employees began a series of important developments for 920 eligible employees. Following the bulletin board announcement and a letter to each employee briefly explaining the Plan, group meetings were held in the Conference Rooms to discuss further details and to answer questions relative to the Plan.

In a nutshell, the Plan enables eligible employees to share in the profits of the Company. There is no cost to employees for participation.

In the beginning, membership in the Plan included employees with at least three full years of continuous service on the effective date, January 1, 1966. Newer employees become eligible on January 1 following completion of three full years of continuous service.

Benefits of the Plan are payable to members upon retirement, upon total and permanent disability, or to their beneficiaries in the event of death. In the case of other terminations of employment, members receive a percentage of benefits based on the number of their full years of membership in the Plan.

Clinton Mills Old Timers will return to the Presbyterian College Campus for their eleventh Annual Meeting. The first meeting of the senior service group was held at the College on November 13, 1956. A buffet luncheon honoring 171 Clinton men and women, their husbands, or wives, and special guests, has been set for Sunday, November 27, at 1:00 p.m. in the new \$500,000 Greenville Dining Hall.

Members of the club will be greeted by Clinton President Robert M. Vance, who will present diamond set emblems and appropriately engraved gold watches to new members Marcell "Nub" Barker, L. A. Boyette, L. W. Butler, Sr., Carl Campbell, Janet Cauble, Pauline Creswell, Inez J. Miller, C. E. Moates, Tommy Nabors, Marlin Neal, Lola Mae Overstreet, J. B. Patterson, Lee Ross Pitts, Sr., Sarah Q. Powers, Marshall A. Samples, Dorsey Turner and Elbert Butler.

Newly designed diamond set emblems, beautifully emphasizing the Company's distinctive new symbol, will also be presented to 171 active and retired Old Timers. The emblem will be mounted on the jewelry selection of each recipient. Twenty-seven members will receive special 40 years and over awards.

Membership in the Old Timer's Club is limited to employees who have worked continuously with Clinton Mills for 25 years or more. The Club now numbers 171 members.

Main features of the Plan are described in a handsome illustrated booklet now in process of printing. The brightly covered 20-page booklet will be distributed to all eligible participants by a member of management within the next few weeks.

### Wellmaker Named Assistant Superintendent

Selection of James Edison Wellmaker, a veteran of 33 years textile experience, as Assistant Superintendent of Clinton Plants 1 and 2, has been announced by Plants Manager, George M. Huguley. Mr. Wellmaker succeeds Mr.

Mr. "Ed" Wellmaker

Odell Freeman who recently resigned the position. Mr. Wellmaker was associated with Greenwood Mills in various manufacturing capacities from 1934 until 1964 when he joined the Woodside Mills organization as Overseer of Weaving at the Woodside Plant.

He is a native of Lincolnton, Georgia, and is married to the former Miss McRee Corley of Ninety-Six. They are the parents of two sons, Alfred, age 26, and Edree, age 23.

The Wellmakers reside on Teakwood Drive in the Town and Country Subdivision and are members of the Baptist Church.

Mr. Wellmaker is a Mason, a Lion, and former Director of the Ninety-Six Chamber of Commerce.

His hobbies are centered around outdoor sports, with a special interest in golf and fishing.

EASY enrollment process included designation of beneficiaries. At Clinton No. 1 Plant Horace Grogan signs "Application For Participation" form as Overseer Billy Snelgrove looks on.
