

### Little Receives Oak Leaf Cluster

Major Robert Little, son of Clinton No. 2 Carding Employee Robert P. and Mrs. Little, recently received the Bronze Star with a second Oak Leaf Cluster for heroism in Vietnam.

Major Little personally led an attack on a suspected Viet Cong headquarters and arms cache. Despite enemy sniper fire, he directed an exploration of the bunker, completely broke the enemy defenses, and destroyed the bunker complex without sustaining any casualties.

Major Little is a graduate of Bell Street High School and S. C. State College in Orangeburg.

## Twenty-Three Employees Receive Service Awards

Twenty-three Clinton Mills employees were recognized for having completed five or more years continuous service with the company during September.

Three employees reached 20-Year milestones in their employment career. They were Marie J. Taylor and Luther Rhodes of Lydia; and John A. McNinch, Plant No. 2.

Ralph Riddle and Harold P. Sanders of Lydia, and Corrie Satterwhite, Plant

No. 1, received 15-Year awards.

Lydia employee Louis G. Meeks received the only 10-Year Award in September.

Sixteen employees were recipients of 5-Year awards. These included Charles H. Bond, David H. O'Shields, Lester Handback, Joe Nelson, and Ralph Brock, all Bailey Plant employees; Robert L. Stone, Ethel M. Jones, Mildred Smith, Willie Young, Claud Barker, Billy J. Johnson, Barbara Eustace, and Claude Smith, Plant No. 2; and James M. Turner, Annie V. Baker, and Annie L. Kerns, Lydia.

## Safety Shoes Prevent Toe Injuries

Are you doing all that you can to avoid the pain and misery of a toe or foot injury? Play it safe and stop by the Clinton Mills Clinic and see the material on Safety Shoes for both male and female.

These Safety Shoes are the latest styles, light-weight and economical. All shoes are designed for your comfort and protection from falling objects, mashed toes, etc.

Any employee may obtain Safety Shoes at cost for his personal use on the job. Be sure you have your correct size. For further information on purchasing Safety Shoes check with Mack Parsons or the Plant Nurse.

## Ten Commandments of Gun Safety

Now that the hunting season is about to open for more and more Clinton Mills employees, we've enumerated these gun rules for our sportsmen's safety:

1. Treat every gun with respect due a loaded weapon.
2. Watch that muzzle! Carry your gun safely; keep the safety on the weapon until ready to shoot.
3. Unload guns when not in use, take down or have actions open; guns should be carried in cases to shooting area.
4. Be sure barrel is clear of obstructions, and that you have ammunition only of the proper size for the weapon you carry.
5. Be sure of target before you pull trigger; know identifying features of game you shoot.
6. Never point a gun at anything you do not want to shoot; avoid all horseplay.
7. Never climb a tree or fence or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.
8. Never shoot a bullet at a flat, hard surface or water; at target practice be sure your backstop is adequate.
9. Store guns and ammunition separately, beyond reach of children.
10. Avoid alcoholic beverages before or during shooting.

Four-year-old Bobby was stroking his cat before the fire. The cat began to purr loudly. Bobby gazed at her then suddenly seized her by the tail and dragged her away from the hearth. His mother said: "You must not hurt the kitty, Bobby."

"I'm not," he said, "but I've got to get her away from the fire. She's beginning to boil."

Look at your hand. What a truly remarkable device it is.

At your will it can grip, clench, hold . . . touch, feel, examine . . . button, zip, tie, pull, twist, turn.

It can wave, indicate, even talk. And it can shift, reach, manipulate . . . push, pull, lift, carry . . . count, sort, hit, pick and strum.
