REBUILDING L. & C. TRESTLE.

Regular Schedule Soon to be Resumed—Injured Improving.

Lancaster Special to Charleston News and Courier, Aug. 6.—The Lancaster & Chester Railroad authorities are making rapid progress towards clearing the debris at the scene of last week's wreck, near Chester, and rebuilding the Hooper creek trestle, through which train No. 16, went to its destruction. Within a week or ten days, it is said, the trestle will be rebuilt in the most substantial manner possible and the accustomed schedules on all trains between Lancaster and Chester will be resumed.

Several parties, among whom were a number of those hurt in the wreck, went in an automobile yesterday to the scene of the disaster to review the situation and figure out for themselves, if possible, the cause of the wreck. The road bed at the place of the wreck, and as far on either side of the trestle as was examined, appeared to be in perfect condition, the rails all along were found to be properly and securely spiked and the cross-ties in good condition. It seems to be the consensus of opinion among those who have visited this place and investigated conditions that the wreck was caused by a gondola jumping the track, which accident, it is said, could have happened at any time and on any road.

The trestle had been recently overhauled and new timbers put in and the fact that the trestle did give way is the only thing that prevented the mortality from being greater, as the trestle broke the fall of the coaches, instead of allowing them to plunge sideways into the creek below. The general public, it seems, does not look upon the calamity as having been caused by reason of negligence or carelessness on the part of any one in charge.

Those seriously injured in the wreck, who are still in the hospital at Chester, are reported to be improving and are well on the road to recovery. Either Colonel Springs or his able and efficient secretary, W. R. Thomson, is every day at the Chester Hospital at the bedside of the injured and they are in regular communication with hospital authorities at all times. The sick are being well cared for and no possible expense or labor is spared for their comfort and convenience.

On Sunday Colonel Springs carried over to the Chester Hospital in his car the tiny baby of Mrs. Williams, of Corpus Christi, Texas, who was so badly hurt in the wreck, to convince the mother that her child was absolutely unharmed and all right. Upon hearing that the condition of Mrs. Williams was critical, Colonel Springs left for Chester early this morning to see that everything possible was being done for her. Much praise has been accorded those who were in the wreck, as they did noble work in rescuing others, though injured themselves, and people living near the scene of the wreck contributed everything possible in addition to their assistance.

Temporary Schedule of L. & C.

On account of the wreck, Lancaster & Chester Railway is operating one through train each way daily except Sunday between Lancaster and Chester via Fort Lawn and S. A. L., leaving Lancaster approximately at 6 a. m., arriving at Chester approximately at 10:30 a. m.; returning, leaves Chester approximately at 1 p. m., arriving at Lancaster approximately 4:30 p. m.

Train leaving Lancaster approximately 7 a. m. operates to scene of wreck, transferring to motor car, arriving at Chester, approximately 10 a. m.; returning, leaves Chester approximately, at 5 p. m. motor car to wreck, transferring to train arriving at Lancaster approximately 8 p. m.

Railroad Commission to Investigate Wreck on L. & C.

We are in receipt of a letter from Hon. John G. Richards, Jr., chairman of the railroad commission, requesting us to announce that the commission will hold a hearing in Columbia at 11 a. m. on August 21, in order to investigate and take evidence in regard to the wreck at Hooper's creek of the Lancaster & Chester Railway train on July 30 last. Mr. Richards states that the commission "will be glad to have any parties who are interested, to be present, and any parties desiring to be present to notify the commission."

Costly Treatment.

"I was troubled with constipation and indigestion and spent hundreds of dollars for medicine and treatment," writes C. H. Hines, of Whitlow, Ark. "I went to a St. Louis hospital, also to a hospital in New Orleans, but no cure was effected. On returning home I began taking Chamberlain's Tablets, and worked right along. I used them for some time and am now all right." Sold by all dealers.

Social News

Of interest to the friends of Miss Holley will be the following from The Winnsboro News and Herald of yesterday:

"Miss Maud Holley has returned from a delightful visit to friends in the upper part of the state. Miss Maud always makes friends and gets a large share of what pleasure is going."

Miss Estelle Milling entertained last evening at a very pleasant party in honor of her cousin, Miss Jennie Beard Mackorell, of Yorkville, who is visiting her grandparents, Capt. and Mrs. J. M. Riddle, and Miss Nancy Lindsay of Camden the guest of Miss Perry Belle Bennett. The porch and lawn were attractively decorated with Japanese lanterns and Miss Bernice Davis served fruit punch on the front piazza. A very unique contest amused the guests, providing much merriment. Many bottles of drugs were hung here and there about the house and the guests, after testing their sense of smell, were asked to name the contents of each phial. Miss Nancy Lindsay, one of the honorees, was awarded the prize for efficiency in this contest. The guests found partners for refreshments in a very clever way and enjoyed the tempting ices and cake served by Misses Katharine Wylie and Mary Locke Barron.

Mr. Thurlof Gregory, Jr., gave a delightful straw ride at the Adams Springs Wednesday evening, in honor of two popular visitors, Miss Emma Kerr of Rock Hill and Miss Mary Crawford of Fort Worth, Texas. About twenty young people enjoyed the evening. A delicious picnic supper was served in a beautiful retreat and the entire evening was one of great pleasure to all present.

Sabbath School Conference.

The conference of all of the Sabbath schools of the A. R. P. church of Lancaster county, composed of Lancaster, Pleasant Hill, Unity and Shiloh, was held at Shiloh church yesterday and was well attended. The meeting was presided over by the Rev. W. S.
