Mass Meeting at Van Wyck.

There will be a mass meeting of all the people of Van Wyck school district and surrounding country at Van Wyck school house on Tuesday night, October 8. The meeting will be in the interest of the Fourth Liberty loan. Mayor R. S. Stewart, of Lancaster, and a returned soldier from the front and others will make addresses. J. M. Yoder, district chairman.

Services at Union. There will be services at Union Baptist church next Sunday at 11 a. m., and baptismal services following.

Four Minute Speakers. Since the beginning of the Liberty bond drive last Saturday, there has been a four-minute speaker at the Star Theater each night. Rev. Hugh R. Murchison began the series Saturday night. Bert Corcoran, of Charleston, connected with the Y. M. C. A. war work, Monday night; Mr. Lightfoot, of the Y. M. C. A., Tuesday night. Wednesday night there was no show.

Organizing Moose Order. "Texas" A. B. Ritchie, district organizer, has been here this week organizing an order of the Moose. He gave a lecture in the interest of Liberty bonds at the court house Tuesday night and an exhibition of strength, bending iron pipes and breaking two-by-fours over his neck, head and arm. A number of applications have been filed for membership in the order and Mr. Ritchie will come back here within the next two weeks and institute the lodge.

Barton Boy No Better. Little Edward Barton, who was run down by an automobile on Main street Monday afternoon and badly injured, is still considered by Dr. Laney, his physician, in a very serious condition. The boy was unconscious until Wednesday when he rallied and recognized those around him for the first time since the accident. His father, W. M. Barton, who was in Charleston, and his brother, John Barton, of Manning, arrived Tuesday to be with him.

Our Liberty Loan Quota. The quota for Lancaster county for the fourth Liberty loan has been fixed at \$500,000. That is the amount our people are to buy of the total which must be sold in the government is to successfully finance, during the next few months, our part in the terrible conflict the kaiser and his hordes have brought upon the world. Of course the people of Lancaster county are going to buy that quota, and the only question is how much more and how quickly are we going to do it? Lancaster county people are going at the bond-buying proposition in just the same way that

our Lancaster boys are going at the helmets in France. We are not going to wait until the fight is over before we get into it, and we are not going to stop at the fixed objective of \$500,000 any more than our boys stop when they reach the first German trench or German machine gun nest. We are going to put Lancaster dollars back of Lancaster boys and let them work together so that in the end the "world may be a decent place to live in."

Mrs. Gregory Entertains.

Mrs. Andrew Gregory charmingly entertained at two tables of bridge Thursday afternoon, in honor of her guest, Miss Margaret Blair, of Winston-Salem, N. C. At the conclusion of the games Miss Margaret Moore held highest score and was presented with a dainty handkerchief, the guest of honor receiving a similar gift. A delightful salad and tea course was served.

To All Retail Dealers in Sugar.

The food administration has issued the following new rules as to sales of sugar:

Effective at once you are authorized to sell to individual consumers a two-weeks supply sugar at one time, allowing two pounds per person per month.

To illustrate: If there are six persons in a family you may sell six pounds at one time, but during the month they must not buy over two pounds per person.

You must keep a record in writing of each sale, name of person buying, postoffice address, the amount of sugar purchased and the date.

J. H. Witherspoon,

Food Administrator for Lancaster County.

First Prosecution.

C. W. Miller, chief clerk of the Bureau of Vital Statistics of the State Board of Health, brought suit against Dr. B. K. H. Krops of Columbia for failure to report births attended by him within the prescribed ten days as specified by State statute. Dr. Krops was prosecuted on four counts, to which he pleaded guilty. Magistrate Coker, before whom the case was brought, imposed a fine of \$25 in each of the four cases. This was the first prosecution of the bureau. For this reason, Dr. James A. Hayne, State health officer,
