A CHILD MUST GROW SCOTT'S EMULSION

A child cannot choose its period of growth. Nature attends to this with laws well-nigh unalterable. A child of retarded growth or feeble vitality needs and should have help to promote healthful growth.

abundant in nourishing substances that promote growth and strength, is invaluable in its help to a growing child. Scott's helps a child over the weak places.

Scott's helps a backward child develop naturally.

LEVELLEMAN BRINGS IN NEARLY 2,000 SOLDIERS

Including Many Convalescents From the Fighting 27th and 30th Divisions.

New York, Dec. 18.—The gain liner Levelman, which loaded here with nearly 2,000 American soldiers convalescents of western fighting, also brought home many convalescents from the 27th and 30th divisions.

There never was a bunch of men who could fight like the 10th," he said. "The air tick we had was our officers would not let us go ahead as that we wanted to."

Many of the convalescents of the two divisions, however, were (bathed to talk of their experiences. Private E. L. Decker of Henry, N. C., with both arms and legs badly torn by shrapnel, would not have missed "the show" for anything.

NOTICE RETAIL DRUGGISTS NO MORE VAPORUB DIRECT BUY IT FROM YOUR JOBBER

Effective Immediately. No More Direct Shipment Will Be Made Retailers—All Shipments Now Go to Jobbers for Redistribution.

When the influenza epidemic struck the country and wiped out our warehouses and jobbers' stocks almost overnight, we were faced with the problem of distributing to the stricken districts—in the simplest possible manner—our fully stocked supply of Vaporub. We solved this by offering to ship direct to the retailers in these influenza districts by parcel post prepaid quantities of not more than three dozen Vaporub in any one shipment, and by shipping what was left from our fully stocked supply to our jobbers by express instead of freight.

This was really our only solution to the problem for the time being. Now, however, we find that these small shipments are constantly increasing—we have received as many as 1,000 in a single mail. It is becoming impossible for us to fill these
