Watered Plantation for Sale ON A LONG CREDIT.

THIS Estate, known by the name of Rocky Branch, consists of 1851 acres of LAND, ascertained by resurvey, situate on the Wateree River, eight miles above Camden, having nearly five hundred acres of cleared Land, and about the same quantity of an excellent quality for the culture of Cotton, remaining uncleared. This situation is remarkably healthful, and has on it one of the best Orchards in South Carolina.—Persons disposed to purchase, will make their applications to

J. Carter.

Com. Eq. Camden District.

Camden, March 2, 1820. 202—tf

There are few situations in the Carolinas, so eligible as the above. It is admirably watered, and as well fitted for a gentleman's residence, as any in the State; it may be made to unite the advantages of planting, with those of farming for a sale of the products of which, it has the market of Columbia and Stateburg, (distant about 30 miles,) as well as that of Camden. Its situation on the River will give it every advantage to be expected from the opening of the Wateree now about to be rendered navigable from the Mountains to Camden, by the Portage being formed at Rocky Mount: and, it lies near where the road will in all probability be marked out to connect Camden and Charlotte, N. C.

The Editors of the Charleston Courier is requested to insert the above twice a week, for three months; and the Raleigh Register, weekly for the same time, and send their bills to this Office.
