"Sec. 4. The business of the company shall be conducted on the plan of DISTRIBUTING TO THE POLICY-HOLDERS THE PROFITS of the business, as hereinafter provided, unless by the consent of the assured the policy is non-participating."

"Sec. 15. This company may issue policies on the lives of husbands and parents, or others, for the benefit of wives and families, or other beneficiaries interested in their lives—as executors, administrators, creditors or dependents, and the same shall not be liable for the debts or contracts of the assured, except as provided in the policies issued."

"Sec. 16. The company may issue policies payable IN GOLD: Provided, Premiums are paid in the same."

"Sec. 10. The permanent investment of funds shall be in mortgages or liens on UNENCUMBERED REAL ESTATE WORTH DOUBLE THE AMOUNT LOANED."

We call attention to the rights secured in policy as part of the contract.

Rights of party to non-forfeiture in all its policies.

Rights of party to re-instatement—paid up policy, and surrender value where "intervention of armies" or any other cause cuts the insured off from home office. This feature, omitted in policies of Northern companies, cost the Southern people very heavily in the late war, and should make them seek the only company that provides against such contingency in future. Some companies never have in their policies, that parties who "take up arms against" certain named States, "or the United States," render their policy null and void. This is making certain what was before uncertain, and is too great a mingling of politics, war and life insurance.

"THE **PIEDMONT AND ARLINGTON**" has a model charter and model policy, plainly stating rights of parties and guarding those rights against sacrifice.

It gives dividends at the end of the first year, when all cash is paid, and of second year, when part loan is taken. The all cash plan is unreservedly recommended as in every way most satisfactory.

We now confidently appeal to every one interested in Southern property to look to their own interests, by sustaining their own institutions, and thereby establishing that self-confidence without which there can be no permanent prosperity. Bear in mind that already over \$10,000,000 are annually sent North for Life Insurance, taking so much from our strength, and thereby giving additional power to our competitors.

We offer a solid, reliable Life Insurance Company, thoroughly Southern, in the hands of men of the highest integrity, with abundant assets, recent risks, the most secure of all investments, pledged to retain within the State of South Carolina all funds accruing therein, and, indeed, preventing every advantage that can be desired, and we only ask a full examination into the superior merits of the "PIEDMONT AND ARLINGTON LIFE INSURANCE COMPANY" to insure your patronage.

The Company has complied with the law of the State, requiring a deposit of \$50,000 in State bonds, with the State Comptroller, for the better protection of policy holders.

SIMMONS' LIVER REGULATOR.

THE symptoms of liver complaint are unpleasant, and are usually accompanied by indigestion, constipation, and a general feeling of uneasiness. Sometimes the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite, and sickness, bowels are constipated, sometimes alternating with lax. The head is troubled with pain, and dull, heavy sensation, considerable loss of memory, accompanied with a feeling of languor, and a general feeling of uneasiness, which ought to have been cured by the use of the Liver Regulator. Often complaining of weakness, dizziness, and loss of spirits. Sometimes, some of the above symptoms attend the disease, and at other times very few of them; but the Liver is generally the organ most involved. Cure the Liver with
