Dr. GÖTTLIEB FISCH'S BITTERS. This preparation of the great Scientist, Dr. Gott-lieb Fisch, of Germany, is based on the fact that, as

lieb Fisch, of Germany, is based on the fact that, as all materials of the body are derived from Food, so all Vital Force, or Health, is derived from the Force stored up in Food. Dr. Fisch's Bitters enables the System to liberate and appropriate these Forces, creates Appetite, cures Dyappesia, with its resolting Debility and lack of Nervous Emergy; so tones the Stomach and Liver as to make Constipation and Biliousness impossible; reinforces the System so it forces the System so it forces the System so it can tide over bad results of changing climate, water, dc., and better endure the demands often unexpectedly made on its Force and Energy. Ladles in delicate health, aged persons, and all emaciated and weak after sickness, will rapidly strengthen by maing this great preparation.
